Library Long-Range Plan Approved

The Bee Cave City Council recently approved a new long-range plan for our library as recommended by the Library Advisory Committee and available [here](#). With our biggest challenge being insufficient space for our growing population, the plan envisions a long-term goal of expanding the library either in the current location or at a new site. In the short term, the Council allocated funds to begin a reconfiguration of our existing space to increase functionality and free up space for more seating and patron-friendly features. The Friends of the Library has indicated a willingness to raise funds to help with the project and welcomes new members interested in helping. Read more at [Statesman.com](#).

VOLUNTEER POSITION AVAILABLE IMMEDIATELY

Bee Cave Public Library's Teen Advisory Board celebrated Teen Read Week 2016 recently by animating book trailers they had scripted and recorded themselves at previous teen board meetings.

In September, eighteen teens assembled for the first Teen Advisory Board meeting of the school year. After several rounds of snacks and excited socializing about all their summer fun, new officers for the year were sworn in and quickly got to business: talking about books, specifically which ones were their favorites and could be made into book trailers. Teens rattled off a mix of titles including ones they had just discovered over the summer break or favorites they have read over and over again. After some hard work of narrowing their choices down to a manageable list, they formed teams to write the short scripts that were recorded as podcasts at a later meeting.

In October, the TAB members and other area teens worked in teams to create visuals for the book trailer podcasts at a stop-motion animation workshop with Johnny Villarreal of [*The Edge of Imagination Station*](#). The three hour workshop allowed teens to create storyboards, artwork, film their scenes, and collaboratively edit their book trailers with Villarreal. The result is a compilation of animated shorts that are designed to make the viewer want to read the books. To view the teens' work, visit <https://www.youtube.com/watch?v=JQ0GF0aYZrl&t=2s>. We are so proud of our talented, creative teens!

Rolling Sculpture Car Show Returns on January 15, 2017!**9th Annual Show Benefits the Friends of Bee Cave Public Library**

The Hill Country Rolling Sculpture Car Show will return for the ninth year on January 15, 2017. Between 150 and 200 collector cars, sports & exotics, modern classics, hot rods, art cars, and other motorized eye candy will be parked along the streets of the newly renovated Hill Country Galleria in a celebration of automotive style in all of its forms. Visit: www.RollingSculptureCarShow.com for more information.

The show benefits the Bee Cave Public Library through paid sponsorships and show car registrations. All proceeds go to the Library, with more than \$45,000 raised over the past eight years. This year the funds raised will be used to purchase items for the library's upcoming make-over, including new comfortable seating and other improvements.

SPONSORSHIPS STILL AVAILABLE:

There are two levels of sponsorship still available for this year's show. Level 1 Sponsors (\$500) receive a customized trophy with the sponsor's name and theme related to their business. The sponsor picks the car they want to win and presents it during the awards ceremony. Level 1 sponsors can also reserve booth space during the car show.

Level 2 Sponsors (\$250) will have their logo and company information included in all PR about the show, and may provide promotional items in the goody bags all participants receive. Sponsorship donations are made directly to the Friends of Bee Cave Public Library, a 501c3 nonprofit charity that benefits the Bee Cave library.

To get in on the fun, please contact Dean Mericas, show organizer, at 512.750.2271 or email dmericas@austin.rr.com.
